

THE RIGHT TO RAW MILK WHY IT MATTERS

Monday January 25th 6:30 pm

**Whole Earth Center
360 Nassau Street, Princeton NJ 08540**

David E. Gumpert will discuss his new book
“The Raw Milk Revolution: Behind America's
Emerging Battle Over Food Rights”

David Gumpert has become the official chronicler of the 'raw milk movement' in the United States. *The Raw Milk Revolution* successfully captures how the controversy over raw milk is at the center of a larger battle between the industrial food system and the local food movement.

This event is being organized by the Princeton Weston Price Foundation Chapter. For more information see: www.wapfnj.org or join our yahoo group: <http://health.groups.yahoo.com/group/traditionalfoodpreparation/>
